To the advocates of the metric system of weights and measures: Shut up! Americans are tired of innovations, such as income taxes and daylight saving laws and do not wish to hear of any other.

Grain inspectors are being appointed. Watch out for more taxes, for these officials must be paid. If it keeps on, grain and money will be even commodities, ounce for ounce.

## Ebenezer.

Special to the News.

Fan and keep cool seems to be the order of the day now, since everybody has laid by. It has been several weeks since we have had any rain. Corn is needing it badly. I am afraid if we don't get some soon it will cut the corn crop short. Corn is in the stage when it can be easily injured.

## OBITUARY.

Martha Jane Anderson, of Whitwell, who had lived for more than 73 years among the society of mankind, breathed her last on Saturday, July 5, 1919, and the spirit went back to God who gave it to receive the reward of the righteous.

She had been a faithful and consistent member of the Methodist Episcopal Church, South, for a little more than a half century. During this period of time her ambition was to carry forward the banner of Christ, and when nearing the end she could say, as did the apostles of old, "I have fought a good fight, I have kept the faith. Henceforth there is laid up for me a crown of righteousness."

By her death Whitwell not only loses a good citizen, but the Red Hill Church loses one among the most faithful and aged members.

Her maiden name was Shirley and she is survived by one sister and four brothers, as follows: Mrs. Nancy Smith and W. C., F. M., C. C. and J. L. Shirley.

She was married to Josiah M. Anderson Oct. 29, 1868, by Rev. J. M. Swain. She survived her husband about 15 years. Besides the sister and brothers and a host of friends, four children are left. They are Mrs. Laura Deakins, Mrs. Alice Hudson, Mrs. Ellen McCurry and James Anderson. A Friend.

### ROSE CANCER

#### Sad Condition of Man Who Comes All the Way From Texas for Treatment.

Jasper, July 31.—A sad case is that of Scott Sailors, of Texas, who came all the way from that distant state to consult Dr. Wesley Songer, the specialist at Jasper, regarding a cancer with which he is afflicted. On examination the doctor pronounced it too late for treatment. It is of the "rose" type, and as big as a man's two hands and is located on the sufferer's breast. In fact, it looks like a flower, or a growth resembling a flower, and is a terrible sight. It has been burned with caustic, but that had no effect on it, for it continued to grow.
